

Ahimsa Village
Friday Night Sustainability Series Program

Listen to the Grandmothers
Friday, March 14, 2008, 6PM

"When the Grandmothers from the four directions speak, a new time is coming."

Come learn about and celebrate the International Council of 13 Indigenous Grandmothers. View footage from their upcoming documentary, "For the Next 7 Generations: The Grandmothers Speak." Hear readings from their book, "Grandmothers Counsel the World: Women Elders Offer Their Vision for Our Planet." Enjoy poetry and music by local artists.

Program facilitated by Cole Hons, a State College-based journalist, singer/songwriter, and multimedia producer. None of the 13 Grandmothers will be present, but they have blessed Cole's outreach efforts on their behalf.
